<b>INJURY/ILLNESS PERFORMANCE PROJECT</b>	During all EWS qualifying events, medical staff may collect preliminary rider injury and illness data, in order to monitor the magnitude of issues that occur. As part of your participation this will include your medical data should you sustain an injury (or illness) during the event.  You will not be identifiable at any stage during any collection of this data, and any data collected on you will always be anonymised and kept strictly confidential. The information gathered may be used by the EWS/EMBA to help guide and direct future rider health and injury/illness prevention initiatives. You do not need to do anything as part of this data collection.

	NB: If you decide you do not want your medical data to be collected during an event you must advise the organisers in writing. You are free to withdraw from this data recording at any stage, without penalty, and you do not need to explain your reasons for doing so.
